Los sistemas C-2, C-3 y C-4 pueden acoplarse directamente al techo, o suspendidos mediante varilla suministrada, como accesorio, por encargo.

Existe la posibilidad, sobre pedido, de hacer módulos de más de 4 focos, con un soporte de longitud máxima de 6 m.

Se pueden unir eléctricamente 2 o más sistemas.

Especifique, en caso de elegir una versión con transformador, si éste debe ser suministrado por Taller UNO.

Sobre pedido, se puede acoplar al sistema cualquier colgante de nuestro catálogo.

The systems C-2, C-3 and C-4 can be fitted directly to the ceiling, or hung using a supplied rail, as accessory, on request.

On request, it is possible to make a display of more than 4 spotlights, using a track up to a maximum of 6 m.

Two or more systems can be connected electricly.

Please specify, in case of choosing a version with a transformer, whether it must be supplied by Taller UNO.

On request, any hanging lamp featured in our catalogue can be fitted.
